SUMMARY:

Staff recommends that the Town Council consider the adoption of the attached Resolution placing a voter-initiated measure on the November 8, 2016 municipal election ballot to amend the Apple Valley Municipal Code to require voter approval before the Town can issue public debt of more than \$10,000,000 in connection with the acquisition, construction, improvement, or financing of an enterprise (as that term is defined in state law) when the debt is to be repaid by fees collected by the Town and not from the Town's taxpayer revenues (the "Measure")

BACKGROUND:

On December 21, 2015, the Town received a Notice of Intent to circulate an initiative petition for the Measure.

In accordance with the Elections Code, the Town Attorney's office prepared a ballot title and summary, which was received by the proponents on January 6, 2016. On January 15, 2016, the proponents published the Notice of Intent along with the ballot title and summary in the Apple Valley News. The proponents then had six (6) months to gather enough signatures to qualify the Measure for the ballot. On May 10, 2016, the proponents submitted a signed petition to the Town Clerk's Office. The petition contained 5,348 raw signatures.

On June 21, 2016, the Town Clerk's Office, with assistance from the Elections Office of the Registrar of Voters for San Bernardino County, verified that the petition contained 3,873 valid signatures to qualify the Measure for the ballot. Under the Elections Code, 3,172 valid signatures were required.

On June 28, 2016, the Town Council received, filed, and accepted the Certificate of Sufficiency of Initiative Petition issued by the Town Clerk for an initiative petition proposing the adoption of an ordinance amending the Apple Valley Municipal Code by requiring voter approval before the Town can issue public debt of more than \$10,000,000 in connection with the acquisition, construction, improvement, or financing of an enterprise (as that term is defined in state law) when the debt is to be repaid by fees collected by the Town and not from the Town's taxpayer revenues (the "Water Company Measure"). The Town Council directed staff to prepare an impartial and informational report analyzing the impact of the Measure on the Town's finances, its ability to provide public services, and the like.

Under the California Elections Code, the Town Council must take one of the following options at tonight's meeting:

1. Adopt the Measure outright as an ordinance, without alteration; or
2. Submit the Measure to the voters at the November 8, 2016 general municipal election.

PROPOSED ACTION:

Town staff recommends the Town Council submit the voter-initiated measure to its qualified voters at the November 8, 2016 general municipal election. In order to do so, the Town Council must adopt a resolution calling the election, requesting consolidation with the County election, setting forth the procedures for the filing of written arguments, and setting forth the procedures for the filing of rebuttal arguments. The Town Attorney's Office has prepared the attached Resolution to fulfill these requirements.

Town staff proposes that the following question be put to voters at the November election:

Shall an ordinance be adopted requiring voter approval before the Town of Apple Valley can issue public debt of more than \$10,000,000 to pay for acquiring, improving, or financing a project, such as the acquisition of the Town's water system, which is currently owned by a private company, when the debt is to be repaid by fees collected by the Town and not from the Town's taxpayer revenues?

FISCAL IMPACT:

The Town will incur the costs normally associated with placing a measure on the ballot in San Bernardino County.
