

# What a Business Can Recycle

- Aluminum Cans
- Brochures
- Cardboard (all types)
- Computer paper
- Junk mail
- Magazines
- Metal cans
- Mixed paper
- Newspaper
- Paper tubes
- Phone books
- Plastics 1-7
- Tissue boxes
- Envelopes

Remember to keep your food waste items in the trash bin only. Containers that have food waste should be rinsed out prior to placement in the recycling bin.

Properly labeling indoor recycling containers will help employees and customers use the right bin to ensure a successful recycling program.

If you have any questions or comments about the recycling program or need additional information or services please contact our Customer Service Department, (760) 245-8607
