### RECOMMENDED ACTION:

That the Mayor and Town Council accept the bid submitted by Cal-Stripe, Inc. for the Town's Street Striping Services Contract, FY 2014-15, and award a contract for the project to Cal-Stripe, Inc. subject to "Approval as to Form" by the Town Attorney and "Approval as to Content" by the Town Manager.

### SUMMARY:

On April 18-27, 2014, the Public Works Department advertised for bids for a new one year (2014-2015) Street Striping Services Contract with automatic annual renewal options for an additional three years. The Town's current contract for this service expires on June 30, 2014. On May 21, 2014, at 10:00am, sealed bids were received and opened for this contract. The project includes the necessary labor, equipment and materials to perform the necessary maintenance, installation and removal of Town roadway striping and markings. This is a retainer-type contract service.

Bids for the contract work were received from four bidders and the results are as follows:

1. Cal-Stripe, Inc.	\$164,700.00
2. Sterndahl Enterprises, Inc.	\$209,650.00
3. Superior Pavement Markings	\$264,492.50
4. Orange County Striping	\$364,150.00

Cal-Stripe, Inc. has performed street striping services sufficiently and satisfactorily in the Town in the past as a project sub-contractor, and staff considers Cal-Stripe, Inc. to be a responsible contractor for this work.

**FISCAL IMPACT:**

The proposed FY14/15 Street Maintenance Budget includes funding intended for the routine and emergency striping/marketing costs associated with Town roads and facilities.
