### RECOMMENDED ACTION:

1. That the Town Council review and approve the project plans, specifications, and bid documents for the Deep Creek Road Overlay – Project No. 2014-03.
2. That the Town Council authorize staff to solicit bids for construction of said project.

### SUMMARY:

Plans and specifications for the Deep Creek Road Overlay – Project No. 2014-03 have been prepared and are ready for approval and advertisement of bids. Staff has reviewed the plans and specifications and is satisfied that they meet the intent of the Town Council for this project. The project plans and specifications are available to the Town Council for review, approval, and authorization to proceed with advertisement of the project. Staff recommends that the Town Council review the plans and specifications that are available in the Town Council Office, approve the documents, and direct staff to proceed with advertising for construction of the project.

### BACKGROUND:

This project will repave two (2) miles of Deep Creek Road from 200' South of the Bear Valley Road intersection to Tussing Ranch Road. The project includes the installation of new striping and regrading of existing shoulders.

**FISCAL IMPACT:**

Funding for this project has been appropriated in the Town Council approved 2014-2015 Capital Improvement Projects Budget. There is no immediate fiscal impact with approval of the bid documents and authorization to advertise for bids.
