

**TOWN OF  
APPLE VALLEY, CALIFORNIA**

**AGENDA MATTER**

**Subject Item:**

**REVIEW AND APPROVE CONSTRUCTION PLANS AND SPECIFICATIONS FOR THE NAVAJO ROAD IMPROVEMENT PROJECT, AND AUTHORIZE STAFF TO PROCEED WITH ADVERTISEMENT FOR THIS PROJECT.**

**Summary Statement:**

The Navajo Road Improvement Project includes the repaving and widening of Navajo Road from Highway 18 to Waalew Road. This improvement project will enhance Navajo Road by reconstructing the current asphalt concrete (AC), add a continuous center turn lane, and replace the current detached Class I bike paths with attached Class II bike paths for the entire segment. Once this project is completed, the center turn lane will significantly improve the safety for residents pulling into and out of their driveways along Navajo Road. Further, the new attached bike paths will significantly improve the quality and future maintenance of the bike paths along this segment of road.

Staff has reviewed the plans for this project and is satisfied that the specifications meet the intent of the Town Council for this project. The specifications, with bid packet, are being brought to the Town Council for review, approval and authorization to proceed prior to the bid opening. Staff recommends that the Town Council review the specifications and bid packet that are available in the Town Council office; approve the specifications and direct staff to proceed with the project.

**Recommended Action:**

Review and approve specifications for the Navajo Road Improvement Project and direct staff to proceed with the project.
