

**TOWN OF  
APPLE VALLEY, CALIFORNIA**

**AGENDA MATTER**

**Subject Item:**

**AWARD BID FOR ANIMAL CONTROL VEHICLE INCLUDED IN THE 2008-09 VEHICLE PURCHASE PROGRAM**

**SUMMARY STATEMENT**

On, August 15, 2008, Town Staff mailed vehicle bid notices to twenty (20) local auto dealerships inviting bids for the purchase of four (4) new vehicles. Based on the non-responsive bids received for the Animal Control Vehicle, it was recommended to remove the vehicle and re-bid it at a later date at a potential cost savings. This also allowed staff to specify the vehicle and chassis unit needed rather than the dealer selecting a unit that was not sufficient.

On, January 20, 2009, Town Staff mailed vehicle bid notices to local auto dealerships inviting informal bids for the purchase of one (1) new ¾ Ton Standard Pickup. The bid notices included the drop shipment of the truck to Deerskin in Texas which manufactures the six chassis mount animal control unit.

Bid proposals were received from four (4) bidders: Fairview Ford, Greiner GMC, Rancho Motor Co. and Sunland Ford.

Staff recommends the following bid awards:

<u>Dealer</u>	<u>Bid Amount</u>
Deerskin	\$25,450.00
<u>Dealer</u>	<u>Bid Amount</u>
Fairview Ford Sales	\$19,401.60
Sunland Ford	\$19,716.85
Rancho Motor Company	\$22,102.90
Greiner	\$23,337.70

**Recommended Action:**

Approve the purchase of the new vehicle from Fairview Ford Sales with a drop shipment to Deerskin for installation of the six chassis mount animal control unit.
