GOALS

CULTURAL

Our Cultural Goal is to promote and develop projects that provide a representation of the various cultures in Apple Valley through architectural design, art, and community events.

RECREATIONAL

Our Recreational Goal is to lessen the burdens of government by supporting participation opportunities in quality leisure programs and events for the community, including recreational programs for children and persons with disabilities.

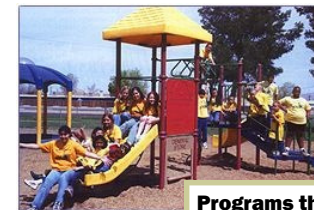

HUMAN SERVICES

Our Human Services Goal is to create programs that benefit families, individuals and children in need. The foundation supports programs that assist the elderly residents, low-income residents and persons with disabilities in the community.

Creating recreational opportunities is a priority of the Foundation

The Foundation will assist in building new parks and providing cultural public arts

Programs that provide positive early childhood development are supported by this organization
