

Each consultant was requested to separate the costs between the two projects, so appropriate funding sources could be allocated to each project. Eberhardt Construction has already provided an analysis of the design to determine the estimates and has prepared appropriate bid documents. The bids for the subcontractor work will be presented at this meeting. Eberhardt will also manage the construction of both remodel projects.

Systems Source has already prepared inventory and designs for the reconfiguration of the existing system furniture and estimates for the installation of this furniture. This contract would also include shelving and installation for the Town Clerk's record center and the Police Department's evidence room.

The contract prepared for Eberhardt Construction includes \$105,000 for the Town Hall Remodel and \$85,000 for the Police Department Remodel. The total of the Eberhardt contract is \$190,000. The Systems Source contract includes \$77,000 for the Town Hall remodel and \$62,000 for the Police Department remodel. The total of the Systems Source contract is \$139,000. Both of these contracts are within the budgeted amount approved by the Town Council on May 25, 2010. The funds for the Town Hall remodel will come from savings from the Development Services/Conference Center and Park Maintenance Buildings and anticipated storage costs from the Town Clerks 2010-2011 budget. Funds for the Police Department remodel will come from development impact fees collected for future expansion of new public safety facilities.
