AWARD OF CONTRACTS FOR PHASE I – PROJECT 2010-PR01 - SKATE PARK EXPANSION AND RENOVATION & OPERATIONS DISCUSSION

SUMMARY STATEMENT

At their August 10, 2010 meeting, the Town Council directed staff to issue an invitation for bid for what has been deemed Phase I of the BMX Bike and Skate Park Project. Phase I includes the renovation and expansion of the existing 3-Diamond Skate Park. The Town held a public bid opening on Thursday, December 2, 2010 and received six bids for the project. The resulting bid list is attached. The low bidder for the project was California Landscape and Design Inc with a bid of \$220,000. Their skatepark design and construction arm, California Skateparks Inc. has completed over 200 projects and is one of the top companies in the industry. In addition to the project bid amount, a 10% contingency of \$22,000 is proposed to absorb any additional costs that may be associated with the project. Staff is also recommending the original design consultant, Action Sport Development, be retained to administrate the construction project. A Professional Service Contract in the amount of \$6,902 is attached for this purpose.

At the August 10, 2010 meeting, the Town Council approved the sale of a cell tower at Corwin Park. Per Council's direction the revenue from this sale was deposited into the General Fund and the project was to be funded from this unbudgeted revenue. The total project amount including the contingency is less than the \$305,000 that was received for the sale of the cell tower.

Summary Statement

After the completion of Phase I, the facility will be designed to allow for BMX use and a determination as to how the facility will operate will need to be made. The Town can choose to allow BMX bikes concurrently with skate board use or develop a use schedule whereby we have a staffed facility with separate sessions for each discipline. A representative from the California Joint Powers Insurance Authority (CJPIA) spoke at the August 10, 2010 Town Council Meeting and recommended that if we allow BMX bikes in the park, we staff the facility and have separate sessions for BMX bike use and skateboard use. If we choose to not staff the facility and allow for concurrent mixed use, the CJPIA will still accept the facility as a covered Town facility. If the direction is to staff the facility, the unbudgeted cost would be approximately \$30,000 per fiscal year. This is based on operating a revolving 10 ½ hour schedule from April through September and 7 ½ hours daily from October through March. A schedule could be created at a later date.
