

**TOWN OF
APPLE VALLEY, CALIFORNIA**

AGENDA MATTER

Subject Item:

REVIEW AND APPROVE CONSTRUCTION SPECIFICATIONS FOR THE YUCCA LOMA BRIDGE AT MOJAVE RIVER, CLEARING AND TREE REMOVAL ACTIVITIES PROJECT, AND AUTHORIZE STAFF TO PROCEED WITH ADVERTISEMENT FOR THIS PROJECT.

Summary Statement:

The Yucca Loma Bridge Mojave River Clearing and Tree Removal Activities Project includes the removal of trees and other vegetation located along the alignment of the proposed Yucca Loma Bridge from the terminus of Yucca Loma Road to the terminus of Yates Road. The early delivery of this phase of the Bridge project is critical to the schedule of the Bridge project.

The recommendation to proceed with this phase is predicated on the understanding that Caltrans will approve the NEPA environmental document, which it has verbally indicated it would do within the next few days. It is also anticipated that the Army Corps of Engineers will issue the permit to do this project within the next week.

Staff has reviewed the plans for this project and is satisfied that the specifications meet the intent of the Town Council for this project. The specifications, with bid packet, are being brought to the Town Council for review, approval and authorization to proceed prior to the bid opening. Staff recommends that the Town Council review the specifications and bid packet that are available in the Town Council office, approve the specifications and direct staff to proceed with the project.

Recommended Action:

Review and approve specifications for the Yucca Loma Bridge Mojave River Clearing and Tree Removal Activities Project and direct staff to proceed with the project.
