

**TOWN OF  
APPLE VALLEY, CALIFORNIA**

**AGENDA MATTER**

**Subject Item:**

**AWARD CONTRACT FOR THE MICRO SURFACE 2011 PROJECT, PROJECT NUMBER 2011-11**

**Summary Statement:**

On March 1, 2011, the Town received and opened bids for the subject contract. This project includes providing necessary labor, equipment and materials for the micro surface maintenance of various streets totaling over 27 miles.

The bid results are as follows:

<u>Contractor</u>	<u>Total Bid Price</u>
<b>American Asphalt South</b>	<b>\$829,530.85</b>
Pavement Coatings	\$869,869.25
Valley Slurry Seal Co.	\$870,132.80
Intermountain	\$894,498.00
Roy Allen Slurry Seal	\$915,543.67
Sully Miller	\$948,000.00

Staff is satisfied that American Asphalt South is a responsible contractor for this work. Funding for this project, if approved as recommended, is included in the Town's Capital Improvement Project budget for this fiscal year. SanBag allocated \$990,000 from Stimulus funds for this project. Considering that the lowest bid amount for this project is less than the engineer's estimate of \$990,000, it is recommended that the project street list be expanded to utilize the entire amount of these special funds.

**Recommended Action:**

Award a contract for \$990,000 to American Asphalt South for the Micro Surface Project, subject to "Approval as to Form" by the Town Attorney and "Approval as to Content" by the Town Manager.
